

The Win

Provide a meal to comfort a family dealing with death and to give them a time of needed fellowship with their extended family and friends.

Guidelines

Meal Locations

The meal mainly will be brought to HCC and served out of our kitchen or student facility. At times, the meal will be served in other locations at the family's request. The TEAM Leader will be notified in advance of the location of the meal by someone from the HCC Staff.

Needs of this Campus TEAM

This Team will consist of a TEAM Leader who will coordinate the delivery, setup, and distribution of the meal. The TEAM Leader will stay in contact with the HCC Staff member who is ministering to that particular grieving family. The Staff Member will provide the TEAM Leader with date, time, and location of the memorial meal. The Memorial Support TEAM Leader will then contact its TEAM to coordinate the meal being provided. This TEAM will also have a setup and cleanup crew that will serve under the direction of the TEAM Leader.

This Campus TEAM will also need to be flexible and have the ability to work with little advance notice. This TEAM will at times have to work quickly due to the unexpected nature of deaths and to the short time span that occurs

between a death and the Memorial Service. However, the HCC Staff will give notice to the TEAM Leader as soon as possible in each of these ministry situations.

Members of the Memorial Support TEAM will need to be prepared for their portion of meal prep at all times.

This TEAM will also need Members who can step into the TEAM Leader role when they are unavailable.
